

## ***Welcome***

### ***To Southwood Hall***

We are an exclusive events venue set at the heart of our secluded family farm in rural Norfolk, just 15 minutes from Norwich where we would love to welcome you to share in our wonderful facilities. Weddings, receptions, civil partnerships, naming ceremonies, parties, celebrations and corporate events are all equally welcome. Whether you are planning a large elaborate event for 250 guests or something far more intimate we have a lot to offer. Grade II thatched Coronation Barn is licensed for Civil Ceremonies as is our beautiful rotunda on the terrace that allows your guests to be seated in the open air during the ceremony.

Formal gardens, spectacular architecture and open country views offer wonderful canvases on which we create lasting impressions.

## ***Building***

### ***Your bespoke event***

The cost of hiring the facilities at Southwood Hall are the same regardless of the numbers of guests that you choose to invite to join you as you are ensuring exclusive use of the facilities hired. It is just the catering element of your event that will change depending on the number of guests and menu selected.

Our rate card, terms and conditions of hire and catering guide are enclosed for your perusal. If you would like to give us an indication of the dates you would consider, the types of catering you would like and a feel for what else you would like included in the celebration we will happily build a tailored illustration for you without any obligation. Alternatively visit our website at [www.southwoodhall.com](http://www.southwoodhall.com) and build your own package.

## Catering

*For every need*

Our team of chefs are able to cater for all your wishes, be it a seven course gastronomic adventure with matched wines, formal three course dining, delicate canapés or hearty country fare.

Our barbecue lodge on the terrace is wonderful for informal options as it boasts a charcoal barbecue, a spit roasting oven perfect for hog roasts and an outside wood-fired pizza oven.

Whenever possible produce is sourced direct from our family farm or local suppliers and we are always happy to share the provenance of our food. Every menu aims to make the most of local fresh seasonal ingredients and is tailored to your exact specification. We pride ourselves on understanding and accommodating special dietary requirements.

Coronation Barn is an amazing blend of rural charm and modern technology. It is home to solid oak dining furniture, Denby china tableware and crisp linens to enhance the formal aspects of your event whilst it also boasts a hardwood dance floor, a fully integrated audio visual system with cinema standard projection screen and spectacular lighting systems perfect for a party into the early hours!
